

Foreign Non-Immigrant Student Record & Driver Education Release

School Year
2026-27

Misrepresenting or providing inaccurate information on this form may result in a denial of enrollment.

Record Release

As parent(s) of _____, I/we authorize the release of information to the Jordan School District that is necessary to verify the information in the student's enrollment application. This information includes:

1. Discipline or incident reports
2. Grade and class performance reports
3. Assessment results
4. Results of testing, qualifying, and/or placement in classes for students with learning or other disabilities
5. Other information contained in my student's educational record.

This information will be used to make enrollment decisions and will not be transferred to other individuals except as authorized under the law.

Driver's Education Release and Agreement

As parents of _____, I/we indicate the following to the Jordan School District (initial one choice):

____ We **DO NOT** authorize or give consent for our student to participate in Driver's Education courses or training provided by the Jordan School District.

____ We **DO** authorize or give consent for our student to participate in Driver's Education courses or training provided by the Jordan School District. We understand that there is an associated financial obligation for participation in the course, for government-required testing and authorization, and for ongoing vehicle insurance and operating expenses. We understand that completion of a District-sponsored Driver's Education course does not grant legal permission to operate a vehicle and that further licensing with the Department of Motor Vehicles is required. We understand and agree that the Jordan School District is not liable or responsible for our student's operation of a motor vehicle outside the boundaries of a District-sponsored Driver's Education course. We also understand that the District bears no financial obligation or legal responsibility for our student's operation of a vehicle or any actions or outcomes associated with our student's operation of a vehicle.
